

Selecting play equipment and toys.

Policy statement

The toys and equipment in Pre-school provide opportunities for children to play, explore and to develop self-expression, to learn and development in all areas through these experiences. The Pre School aims to allow the children to be able to self-select resources and activities during the session.

Procedures

The equipment we provide:

- Is appropriate for the ages and stages of the children.
- Offers challenges to develop, physical, social, personal and cognitive skills.
- Features positive images of people, both male and female, from a range of ethnic and cultural groups with and without disabilities.
- Includes a range of raw materials, which can be used in a variety of ways and encourages an open-ended approach to creativity and problem solving.
- Will enable children, with adult support, to develop individual potential and move towards required learning goals.
- Conforms to all relevant safety regulations and is sound, fit for purpose and well made.
